

Meeting Room Policy

1. A formal written application or online application must be filled out and approved for a reservation to be considered confirmed. The applicant must be 18 years of age or older. An adult must be present at all times if any attendees are minors. The Library Director is the final approving authority for all applications for use of all meeting room reservations. The library's Safe Child Policy applies to all meetings.

2. Library events and Official City activities have first priority in scheduling. Due to the volume of library programming throughout the year, the Library reserves the right to reschedule any reservations for library or City events. Groups will be given notice.

3. Bookings are made on a first come, first serve basis.

4. Rooms may not be used for personal or commercial interests, or electioneering. Private parties are NOT allowed in Library meeting rooms. This includes showers, receptions, birthday parties and purely social gatherings.

10. The Federal Copyright Act (Title 17 of the U.S. Code) requires that a public performance license be obtained for public presentation of a movie or other copyrighted work. A group wishing to present a copyrighted work must submit the performance license along with the application. Groups may not show films or other copyrighted materials without a license.
